

Our Mission: Since 1993, WHW has provided the unemployed and underemployed the skills and resources they need to get and keep a good job at no charge.

2018 ANNUAL IMPACT REPORT

89% of WHW Job Seekers are employed within 90 days!

WHW's high quality Employment Readiness Programs are offered to Job Seekers at no charge so that each of them can acquire the skills and resources they need to get and keep a good job, keep a roof over their head, put food on their table and provide for themselves and their families.

An employed community experiences a better quality of life for all its citizens including less crime, less poverty and homelessness, better education and health. That is why WHW works to turn resources entrusted to us into jobs...because a good job changes everything!

2018-2019 WHW Highlights

- WHW provided 9,458 units of service to 1,244 unemployed and underemployed job seekers at no charge.
- There were 504 Computer Training Classes to help job seekers update and master their digital skills.
- 476 Employment Readiness Workshops empowered job seekers to be successful in their job search.
- 882 job seekers received Professional Apparel, learned to make a great first impression and put their best foot forward in their job search.
- 89% of WHW job seekers obtained employment within 90 days, almost half the time of the national average.
- Employed job seekers increased their average household income by over 318%!
- WHW job seekers reported over \$28 million in wages which translates to over \$18 million savings to tax payers in entitlement payments annually.

Employed WHW Job Seekers reported over \$28 million in wages!
